INSTITUTION INDUSTRY CELL (IIC)

Objective :

To explore and identify common avenues of interaction with respect to industry as per the requirements of the institution.

Scope :

Our institution will form Institution- Industry Cell (IIC) to establish purposeful interaction between industry and institution.

Strategy :

IIC will be responsible for designing the roadmap for interaction with industry recognizing the inherent strengths as well as the weaknesses of the institution.

Suggested Activities under IIC :

- To identify and facilitate Guest Lectures, Interactive Workshops, Conferences, Seminars, Brain Storming Sessions, Technical Discussions etc. with members of the Industry, outside experts, eminent personalities at regular interval.
- To conduct Industrial Training, Orientation Courses, Industrial Visits etc for faculty and students at regular intervals.
- To facilitate joint research work, consultancy involving faculty and students.
- To identify continuing education opportunities, short-term programmes and training needs of the industry, which the institution can provide.

Deliverables :

IIC will be responsible for the following deliverables:

- Increase in collaboration with industry
- Increased rate of campus placement of students
- Absorption of students by same industries providing industrial training
- Increase in industrial training for students arranged by college.
